

A good commercial lawyer sees beyond the law

Litigation & Arbitration

Vinge is the leading law firm in Sweden, offering a full range of commercial legal services. Our offices are located in Stockholm, Gothenburg, Malmo and Helsingborg, as well as in London, Brussels, Hong Kong and Shanghai. Vinge is a member of the Scandinavian Law Alliance with Kromann Reumert in Denmark and Thommessen in Norway and of Lex Mundi, a global network of independent law firms.

Vinge's Litigation & Arbitration practice group is one of the largest in Sweden with over 30 specialist lawyers in Vinge's various offices. The group has wide-ranging expertise of all types of domestic and international dispute resolution, including:

- litigation at all levels of Swedish courts
- international and domestic arbitration
- administrative law disputes, including competition law, environmental and tax disputes
- procedures/litigation before the European Court of Justice and the EC Court of First Instance
- mediation and other forms of ADR.

On an international level, the group is well known for international arbitration, with experience of institutional ICC, SCC, LCIA, Moscow ICAC, CIETAC, AAA, Danish Arbitration and ad hoc UNCITRAL and other arbitration in a variety of seats of arbitration, including Stockholm, Oslo, Copenhagen, London, Paris, Moscow, Geneva, Beijing and Hong Kong. Group members speak English, Swedish, Norwegian, Danish, Russian, Ukrainian, Czech, French, Spanish, German, Persian, Shanghainese and Mandarin.

The group includes some of Sweden's leading litigators and arbitration counsel. Members of the group are experienced advocates before courts and international and domestic arbitral tribunals. Several group members are also regularly appointed arbitrators in international and domestic arbitrations.

The group advises on the drafting of dispute resolution clauses, and is often involved at the early stage of a dispute in seeking to avoid arbitration or litigation, or to improve the chances of a successful outcome.

Industry sectors

The group advises its domestic and international corporate and public sector clients on dispute resolution across the entire spectrum of commercial law in a variety of industry sectors. In addition to mainstream commercial contractual disputes, the group handles disputes regarding, *inter alia*, multilateral and bilateral investment treaties, mergers &

acquisitions, professional negligence, insolvency and creditors' rights, directors' liability, telecoms regulation, energy, securities, insurance and reinsurance, intellectual property, real estate, environmental liability, maritime and transport. The group works closely with Vinge's other practice groups.

Sweden as a centre for dispute resolution

Since the 1970s, Stockholm has been a centre for the resolution of East-West disputes. This trend has continued after the cold war, with many Western-Asian and other international disputes, including investment treaty arbitrations, being resolved in Stockholm. There is, according to Legal 500, no other market in which Sweden enjoys such global renown.

Vinge's independence

As an autonomous Swedish law firm, Vinge offers an independent and tailored service without the strictures of any formal international alliance.
